

CERTIFICATE

Evidence number 08.761.833

On certification of the quality system assurance of the producer of material for pressure equipment according to 97/23/EC, as amended, Directive implemented by the Act No. 22/1997 Coll., as amended, and Government Decree No. 26/2003 Coll., as amended

is hereby issued to the producer:

JINPO PLUS a.s.
Křišťanova 1113/2, CZ - 702 00 Ostrava - Přívoz
Company Registration No.: 25357182

for the production place of:
Křišťanova 1113/2, CZ - 702 00 Ostrava - Přívoz

This is to certify that the certification of the implemented quality system assurance was performed and especially there was assessed the field of materials according to the provision of

**The European Parliament and European Council Directive 97/23/EC,
as amended**

implemented by the Act No. 22/1997 Coll., as amended, and Government Decree No. 26/2003 Coll., as amended.

Notified Body 1017 hereby certifies the documents of control according to EN 10204 issued by the producer of materials/products and under conditions according to the Annex hereof do acknowledge the conformity with respective specifications.

Details on certification findings are stated within the Report of Evidence No. 08.878.878 of 14.03.2016; the scope of acceptance is stated within the Annex of 1 page/s and is an integral part hereof.

The present certificate is valid up to: **19.05.2019**

In Prague, dated 19.05.2016

On behalf of Notified Body 1017
Jana Bačinová
Head of Quality Department

Scope and conditions of the Acceptance

1. Material/product type: seamless and welded pipes, pipe bends, tees, transitions, fittings, bottoms, flanges and fasteners
2. Product standards: EN 13480, EN 12952, ČSN 132604, ČSN 131160, EN10253, EN 10222, DIN 2615, DIN 2616, DIN 2609, DIN 17243, DIN 2510, EN 10217, EN 1092
3. Material groups (according to ISO/TR 15608): 1 to 11 according to CR 15608
4. Deviations
 - 4.1 Standards other than EN ones: see point 2
 - 4.2 Other deviations: ---
 - 4.3 Specific requirements: ---
5. Intercompany inspector (authorized deputy of the producer according to ČSN EN 10204):
Ing. Petr Hamrský, Alena Králová, Jaroslava Reinischová, Pavel Konečný
6. Validity conditions
 - The present certificate is valid for the period shown on the first page hereof and can be issued again on request.
 - The continuing validity is subject to the performance of two regular audits in the period of certificate validity by the notified body.
 - Alteration variances of the quality system assurance other than these that have been certified within a particular state have to be disclosed to TÜV SÜD Czech without delay. Such a circumstance may make further certificate validity dependant on additional conformity evaluation.
7. Rules of the certificate disposal:
 - The certificate is related only to the above-mentioned materials/products.
 - The present certificate can be used only in relation to the requirements of Article 4.3. of the Annex No. 1 of the Government Decree No. 26/2003 Coll., on materials/products, specification of which is stated above. This is also applied to the use within promotional, advertising and commercial materials.
 - This certificate can be copied only in whole, inclusive all the annexes.
 - Unauthorized or false use of the certificate can be subject to sanctions (§ 19 of the Act No. 22/1997 Coll., as amended).
 - There is forbidden to alter it, add anything into it or write out the certificate data.
 - Certificate is valid only for its holder and for products and production place indicated herein.
 - It is not allowed to transfer the certificate towards third persons, and third persons cannot use it as well.

This language version of the certificate is a translation of a Czech official version No. 08.761.833 issued on 19.05.2016, which is deemed the only one applicable in the event of legal disputes and was printed on 19.05.2016.
